THE PRESIDENT SPEAKS

I am proud and honoured to hold the position of President of the Glasgow Perthshire F.C. and take this opportunity to publicly acknowledge my deep indebtedness to, and my appreciation of, the Players, Committee, Members and Supporters for their whole-hearted co-operation and loyal support, without which the Club's achievement and success would have been impossible.

We have passed through some very trying years, but the old "SHIRE" has come out on top with colours flying. It has been

a fitting climax to our Jubilee Year to bring to KEPPOCH the Blue Riband of Scottish Junior Football, 'THE SCOTTISH JUNIOR CUP' and this despite the many calls on our players by H.M. Forces.

I now look forward to the new Season with the confidence that we shall add fresh laurels and make new history for the "Shire."

Wishing Members, Players and Supporters "Good-sport" for season 1941-42, I am,

Yours in sport,

FRANK SMITH.

SECRETARY'S REVIEW

It is with mixed feelings and a sense of gratitude that I pen my first Annual Review, chiefly on the grounds of being able to do so as the Secretary of the Scottish Cup Winners. Very few get such a lucky break to start with.

In the first place our signings for next year (which appear elsewhere in this book) are up to standard and Willie Anderson has the highest hopes we will stay on top still in the coming season.

Although we gave our finances a well-needed lift last year we appeal for a steady attendance from our supporters every Saturday. George Wright can find a good use for every penny, and might I appeal to our followers to purchase every one of these Hand-books which are supplied to the Club free through the good-will and help of

HISTORY OF GLASGOW PERTHSHIRE F.C.

The Club wish to record their appreciation of Mr. Neilly Livingstone's painstaking labours in the compilation of an excellent History of the Glasgow Perthshire F.C.

Unfortunately the Paper Control Authorities have cut the size of this hand-book to 32 pages. Consequently the first full sized Hand-book published after the War will contain this attractive feature and every 'Shire fan will be looking forward to this.

We publish some of the interesting facts that Mr. Livingstone has to relate.

The Club was formed in 1890. It has had five grounds. The first

PARS OF INTEREST

The following are Perthshire's various grounds: Kelburn, Kelvinside, Nelson, Balmore and Keppoch.

In the opinion of Old Timers the 1910-11 season was the year of our best-ever eleven.

The attendance at 'Shire's first cup win was 12,000 and the "gate" £470.

A £20 Team. Yes! that was what this year's cup winners cost to sign on. Among the past notables connected with the club we might mention Mr. Jacky Deakin, Tobaeconist, still in business in the district and an ex-secretary, Sanny McLaren, Wm. McGuire, the late Jake Luke, Peter Leish, R. Palmer, J. Lindsay, J. Sime, John Dunlop and a host of others too numerous to mention.

where now stands Garrioch School, had the name of KELBURN PARK; the second, named KELVINSIDE PARK, was further up Garrioch Road and they entered this in 1900; the third, which was made possible by the help of the late Geo. Laurie, was known as the Magic Park, and rechristened NELSON PARK. After a year groundless, during which Ashfield and Maryhill kindly gave them the use of their parks, they entered in March, 1911, their fourth ground, BALMORE PARK, at the junction of Bilsland Drive and Balmore Road. In 1932 they again "were on the Trek" and this resulted in their present and lucky home, KEPPACH. The club has given as many as 40 players in three years to Seniordom (1908-1911).

History of Club—continued.

The 'Shire has had many able Officials among whom we Star the still ever-present John McCrae who guided the last Cup-Winning Team, and Alex. Aitken, the popular Central League Secretary, who signed players like Donald Colman (Aberdeen), Jamie Hosie (Manchester City) and Johnstone of Sunderland. These were great days.

On another page you will find a list of Honours won and some of the players who went senior. See how many you can name and hand them to the secretary for inclusion next year, and in this Jubilee Year make it your good deed year and become a member of this grand old Team. Seven and six is all it will cost you.
